STYLINGTIPP

Zu so einem fragilen Look passt am besten ein natürliches Make-up. Wer Kontraste mag, zieht einen dunklen Lidstrich oder betont die Brauen. In jedem Fall aber Highlighter auf die Wangen für den frischen Alltagsglow!

Das Seidenkleid mit Neckholder wird zu einem grafisch gemusterten Strickpullunder getragen. Für den letzten Schliff sorgt die Schluppe der darunter gezogenen ärmellosen Baumwollbluse. Kleid und Pullunder von **Miu Miu**, um 1250 und 490 Euro. Bluse von **Escada**, um 300 Euro. Nappahandschuhe: **Roeckl**. Porzellanvasen in Form von Spülmittelflaschen: **Foekje Fleur**, über biscuitchina.com. Spülbürste: privat.

'Are they not the same person?!' Margot Robbie's uncanny similarity to Hollywood actress Jaime Pressly, 40, leaves fans absolutely baffled

By Ekin Karasin For Daily Mail Australia PUBLISHED: 01:43 GMT, 2 February 2018

She received an Oscar nod for her spell-binding depiction of American figure skater Tonya Harding's fall from grace in *I, Tonya*. And **Margot Robbie**'s return to the silver screen has garnered another kind of attention, as eagle-eyed fans spotted the 27-year-old's uncanny similarity to American actress Jaime Pressly.

'My eyes have been opened!' The two actresses bore an uncanny likeness - despite Jaime being 13 years Margot's senior

Elle Fanning In **Miu Miu** – ‘I Think We’re Alone Now’ Sundance Film Festival Premiere After Party

Following the [Sundance Film Festival premiere of ‘I Think We’re Alone Now’](#) on Sunday (January 21) in Park City, Utah, Elle Fanning headed to the after party.

We’ve seen a few Elle looks at Sundance, but this [Miu Miu](#) Spring 2018 frock—styled with a black turtleneck—was by far her most dramatic between the hyper-embellished purple sequins and her smoky plum eye makeup.

Her [favoured Christian Louboutin ‘Une Bott’ boots](#) made another showing here, and they fit right in to the winterized quirk of this look.

Even with the glitz, this had a distinctly effortless, cool-girl vibe.
