INTERVIEW

MORGANE POLANSKI

"JE SUIS FIÈRE DE MON NOM"

Son père est un grand cinéaste. Sa mère, une actrice accomplie. A 25 ans, la fille aînée de Roman Polanski et d'Emmanuelle Seigner marche sur leurs traces avec une aisance déconcertante. Rencontre.

PHOTOS BENJAMIN DECOIN

Ses modèles sont Stanley Kubrick, David Lynch, ou David Cronenberg, son genre de paranoïa, le thriller psychologique. Ses courts-métrages font de même d'ailleurs. « Femme qui fait les choses pas distinguées, la beauté du rêve, ni la limite entre l'acceptable et le folle », précise Morgane à l'occasion de notre séance photos à l'hôtel The rooftop 110-12, rue du Sentier, Paris 2^e (thorok.com).

Le renouveau d'adoption, très discrète dans les médias, Morgane Polanski a posé ses valises à Paris, le temps d'une séance photo pour Gala. Qu'elle soit la penneuse Gola dans la série Filippi (diffusée sur Canal+) ou réalisatrice à succès de courts-métrages, cette enfant de la bulle sait exactement ce qu'elle veut. Et a appris à se dompter les envies de ses ambitions.

GALA : Vous venez de vous illustrer avec votre deuxième court-métrage lors du festival de cinéma en ligne MyFrenchFilmFestival. La réalisation, c'est une évidence ?

MORGANE POLANSKI : Je vais vous faire une confidence : à l'âge de cinq ans, je suis allée à Vienne avec mon père car il mettait en scène une comédie musicale en allemand. Même si je ne comprenais rien, pendant deux heures j'ai échappé au monde réel et me suis laissée emporter dans un monde imaginaire. Ça m'a tellement obsédée qu'à mon retour, je me suis amusée à mettre en scène mes amies en les obligeant à parler allemand ! Je ne me suis pas dit que je voudrais être réalisatrice, mais je savais que je rencontrerais des histoires qui me permettraient d'échapper à la réalité.

GALA : Comment vos parents ont-ils réagi ?

M.P. : « Passe ton bac d'abord ! »... ils m'avaient que six traits à la bouche. Ma réponse a été simple : j'ai décroché mon diplôme à dix-sept ans et je leur ai mis sous le nez en demandant : « Et maintenant, on fait quoi ? »... Ils vont faire du cinéma, m'en-tu regardes, après-tu dois dans une école !... J'ai alors passé de nombreux concours dans des écoles de théâtre... »

By [Dailymail.com Reporter](#) PUBLISHED: 07:15 BST, 29 March 2018

Kate Bosworth and Sophia Bush were among the famous faces at the opening of Terra, an Italian eatery located on the rooftop of Eataly Los Angeles on Wednesday. Kate, 35, had her reddish locks styled to the side and wore a light layer of makeup to the debut of the restaurant. The Long Road Home beauty wore a long-sleeved red shirt with creme collars and stripes around the waist and wrist areas. The Superman Returns star wore dark blue denim jeans and pointy gold heels, carrying a white purse with a gold chain on her shoulder.

Naomie Harris Goes for Gold in Miu Miu—And Wins

Janelle Okwodu
Vogue April 5, 2018

This is how you do head-to-toe gold.

There is a time for minimalism, and then there is a time for jaw-dropping, over-the-top fashion. Last night at the Los Angeles premiere of *Rampage*, [Naomie Harris](#) opted for the latter and shut down the red carpet with a solid gold look from [Miu Miu](#). With thousands of gold paillettes covering the tight georgette gown, Harris brought the drama and even

Selena Gomez In Miu Miu – ‘Hotel Transylvania 3: Summer Vacation’ LA Photocall

Selena Gomez joined [Kathryn Hahn](#) at the ‘Hotel Transylvania 3: Summer Vacation’ London photocall on Wednesday (April 11).

With a fresh new, choppy bob, the singer-actress took an adorable turn in this Miu Miu pale-blush frock that glinted with subtle embellishment throughout.

This was a simple, girly ensemble, but it cut such a darling profile that it’s hard not to be completely charmed by how radiant she looked in it.

*Rachel Brosnahan In **Miu Miu** – ‘The Marvelous Mrs. Maisel’ & Deadline’s The Contenders Emmys*

Rachel Brosnahan's promotion for 'The Marvelous Mrs. Maisel' kicked into high gear this weekend with the Emmy FYC Press Night on Saturday (April 14) and Deadline's The Contenders Emmys event on Sunday (April 15) in LA.

'The Marvelous Mrs. Maisel' Emmy FYC Press Night: I think I'm more taken by the deep forest-green hue than the dramatic asymmetrical hem, but I do appreciate how the classic tailoring allows the modern detail to seamlessly lend an edge to this look. Foundrae jewelry provided the finishing touch.

Deadline's The Contenders Emmys: I love how this **Miu Miu** Spring 2018 dress is defined by its retro florals, flouncy A-line profile and straight-pointed Peter Pan collar. While the look has an easy, relaxed vibe about it, I love how Rachel enhances the pattern by partnering her dress with cherry-hued Jimmy Choo Hourly sandals. Eva Fehren jewels completed her look.
