*Miley Cyrus In **Miu Miu** – The Tonight Show Starring Jimmy Fallon*

Ahead of her upcoming 'SNL' appearance, Miley Cyrus stopped by 'The Tonight Show Starring Jimmy Fallon' on Thursday (December 13), where she joined [Regina King](#).

Much like her [last appearance on Jimmy Fallon](#), Miley wore **Miu Miu**. But on this occasion there was no loud colours, no bunny ears and no dreads.

Three years on, and Miley's approach is more measured.

Surprisingly minimalist for **Miu Miu**. This dress does have plenty of charm imbued via the embellished trims and bows.

The look was styled with Stella McCartney's metallic sandals and a selection of jewels from Sydney Evans completing her look.

## Candice Swanepoel, Devon Windsor, Winnie Harlow and Chloe Sevigny stun during unveiling of artistic beaded carousel at Art Basel in Miami Beach

By [KEVIN KAYHART FOR DAILYMAIL.COM](#) PUBLISHED: 06:59 GMT, 5 December 2018

He has gained recognition in both the art and fashion worlds.

And on Tuesday Raul de Nieves bridged both worlds when he paraded some of the most in-demand models for the unveiling of his new work — a life size carousel — presented by Bvlgari & Art Production Fund during Art Basel Miami Beach 2018 in Miami Beach.

Some of the ladies striking a pose alongside his colorful vision included Candice Swanepoel, Devon Windsor, Winnie Harlow and Chloe Sevigny.

Strike a pose: Chloe Sevigny, 44, donned a super-sleek black mini dress with spaghetti straps

## Rita Ora sports TWO distinctive outfits as she performs new tracks at Spotify gig... after streaming service transforms venue into a British pub

By [JASON CHESTER FOR MAILONLINE](#) PUBLISHED: 09:01 GMT, 5 December 2018

Fashion almost overshadowed music as [Rita Ora](#) performed tracks from her latest album at The Abbey Club in West Hollywood on Tuesday evening.

The singer opted for two contrasting outfits ahead of her latest gig, held on behalf of music streaming service Spotify.

Leaving the Hotel Bel Air with a group of friends, Rita, 28, caught the eye in a bizarrely mismatched co-ord that attempted to blend a plain faded denim right half a heavily patterned left – with mixed results.

Todo el look, de hecho, es de la misma firma. El short de piel con tachuelas (**1.350 euros**) y el jersey camel de pico de mohair (**690 euros**).

Vale, igual el short de cuero os parece demasiado. Pero combinado con un jersey de punto calentito y unas medias fantasía, nos parece redondo. Para las menos atrevidas, os proponemos uno sin tachuelas y algo más larguito. Ahora, si lo que quieres es arrasar, dalo todo, **súbete al tacón y conviértete en la reina de la pista.**
