## Sarah Paulson In Prada – ‘Glass’ London Premiere

Sarah Paulson graced the red carpet at the ‘Glass’ London premiere alongside [Anya Taylor-Joy](#) on Wednesday (January 9).

I know a lot of you were totally underwhelmed by the [Golden Globes](#), so Sarah is here to give you the fashion moment you’ve been craving since the turn of the year.

Now isn’t this the best red carpet gown you are likely to see in 2019? Prada, what can I say? You knocked it out of the ball-park. I can’t remember the last time I was left so in awe of a Prada look.

The mix of colours, and fiery hem – inspired by the [Spring 2012](#) – serves up a romantic impression with a fashion forward edge which I immediately bookmarked into my [BDOTY list](#).

The styling really made me swoon with a green Edie Parker ‘Mini Lara’ clutch and Irene Neuwirth One of a Kind earrings. Brian Atwood ‘Karin’ platform pumps may not be to everyone’s taste, but the unconventional hue was perfect for this dress.

Con la nascita di Leone, Chiara e Fedez hanno scoperto di amare il ruolo di genitori e desiderare altri figli. Soli soletti in quel Paradiso, dunque, con ogni probabilità si sono messi all'opera per allargare la famiglia. E quando si ha un simile obiettivo, si sa, è meglio godere della massima tranquillità. Saranno presto in quattro?

Alla follia. Il destino li ha fatti incontrare ed entrambi hanno scelto subito di assecondarlo, anche a costo di bruciare una tappa dopo l'altra. Sembravano così diversi, lontanissimi, invece si sono rivelati davvero anime gemelle. E stanno raggiungendo un livello di simbiosi che a tratti risulta sorprendente.
