Zoey Deutch smiles while modeling retro red dress and matching purse in New York City

By CHRISTOPHER FRIEDMANN FOR DAILYMAIL.COM PUBLISHED: 22:02 BST, 20 June 2018

She's a Los Angeles native with a bright future who recently garnered praise for her role in **Netflix**'s Set It Up. And the sun seems to have followed Zoey Deutch to **New York City** as the ascending star shined while on her way to lunch. The 23-year-old actress was all smiles in an embroidered red summer dress as she basked in the Big Apple's summer glow.

The sleeveless look was an ideal choice as temperatures climbed into the mid 80s. Featuring leaf-like white designs, the textured garment fell to just below Zoey's knees and white kiltie loafers added to the ensemble's vintage feel. She carried a matching Miu Miu woven faux leather bucket bag and at first was seen with her copper red locks tied into a bun.
