## NCUTI GATWA

Actor

*Ncuti Gatwa, the 26-year-old star of hit Netflix series Sex Education, went from having no TV experience to landing the standout role of unapologetically gay teen Eric. On-screen highlights include: leading an oral sex workshop with a banana, and turning up to a dance in a towering head wrap, with gold heels and matching eyeshadow. The script had a section explaining how complex he is,' Ncuti explains. 'At the bottom, it said: "THIS CHARACTER MUST BE HYSTERICAL!!!" No pressure, then. Born in Rwanda, raised in Edinburgh, Ncuti was accepted into the prestigious Royal Conservatoire of Scotland after his first audition. He now lives with his best friend in north London: 'If it weren't for him, I wouldn't have discovered Ghanaian food, my new favourite,' he says. Up next, Ncuti is filming season two of Sex Education and appears in Horrible Histories: The Movie – Rotten Romans, out 26 July. >*

*Cardigan, £1,410, trousers, £1,205, and shoes, £645, all PRADA. Socks, £12, FALKE. Ring, Ncuti's own*
