*"I grew up in a house that was literally flooded with fashion magazines," says Demie, who will next appear opposite Maya Hawke in Gia Coppola's *Mainstream*. "I remember being a little girl, sitting on the floor, going through all the magazines, and sketching, trying to copy the gowns that were in there and making them my own."*

One of the few places Lévi-Strauss speaks positively about in *Tristes Tropiques* is New York, which he describes as “a new kind of city: an artificial landscape in which the principles of urbanism no longer operate”. Daberechi, seen here channeling “the sublimity of the skyscraper”, wears a dress by **Prada** and Clash de Cartier earrings by **Cartier**.

Puede parecer una bolsa para ir al mercado, pero no, no lo es. El nuevo bolso String de Prada es perfecto para usarlo todos los días y en cualquier lugar. Está hecho de nylon y tiene un estampado de plátano; además, está forrado con tela negra para darte privacidad y las correas son extra anchas para soportar gran peso.

# FUN FACTOR

正經八百的設計當然耐看，  
但有時充滿趣味的設計則有提亮造型的效果，  
Prada秋冬手袋設計就有這樣的能耐，  
以毛茸配合品牌簽名尼龍用料，  
獨特而富時尚的可愛感覺。

**PRADA**

作为品牌经典款式，Prada Bowling 系列手袋首次亮相于 2000 春夏“Sincere Chic”系列。这款手袋堪称 20 世纪中期配饰设计的完美写照，具有悠久传承的记忆。回顾现代主义设计美学的流线型轮廓，让人联想到经典的汽车底盘，以对比色装点相似的材质，此款手袋的设计唤起了对时尚以及更广泛的设计语言的视觉描述。
