SÚBETE POR LAS PAREDES

● ¿Te acuerdas de las botas de montaña que usaba tu abuelo? Pues Church's se ha inspirado en ellas para lanzar una nueva edición bautizada Eastrock, que pertenece a la colección Urban Cross Over. Se trata de un modelo clásico que combina la robustez de un zapato de escalada pero con una suela de goma vulcanizada ultraligera, la suela St. Moritz, para que tus pasos resulten livianos. Están fabricadas, como todo en la mítica firma británica, de forma artesanal y con piel de becerro. Su cordón rojo le confiere un aspecto retro, pero se venden con unos adicionales en marrón para usuarios discretos (790 €).

Chaqueta *patchwork* de seda y pantalones de lana con raya diplomática, ambos de GIORGIO ARMANI, camisa de algodón orgánico de RRROAD, zapato de piel troquelada de CHURCH'S, calcetines de lana de CÓNDROR y pendientes de aro de plata de TOUS.
En la otra pág., abrigo en *jacquard* con bordado de pedrería, polo de mezcla de algodón y seda, y falda de faya de seda estampada, todo de MIU MIU, zapatos de salón de raso estampados de AQUAZZURA, medias satinadas de FALKE y pendientes de aro de plata de TOUS.
