“So for us, how do you keep sane when everyone around you has gone mad? So the best thing I could do during this time was show up to the studio. With heavy heart. And a lot of anger. And for me, it was like, how do I pull out the beauty and the sort of, ascending quality that we all have within us during times of trauma and trial.”

En las colecciones para esta primavera caben todos los materiales, desde los clásicos, como el mil rayas de cuadros (algodón estampado de origen hindú) que Paul Andrew ensalza en el desfile de Salvatore Ferragamo, hasta los tejidos sostenibles, donde Miuccia Prada sobresale con su nailon reciclado. *En la página anterior*, Marlee Bell lleva vestido de cuadros, de SALVATORE FERRAGAMO. *En esta página*, Kyla Ramsey luce pantalón de nailon regenerado y mules de gabardina de nailon, ambos de PRADA; y anillos de CARTIER.

ZUM ANKNABERN

LOVE

Warum wir's lieben...

DAS DESIGN

Der Mix aus Sportlichkeit, Eleganz und Innovation ist typisch für das italienische Modehaus. Miuccia Pradas Vision für den Sommer 2021: ein Schuh mit ultrascharfer Spitze, geschwungenem „Virgule“-Absatz und dem ikonischen „Triangolo“-Logo in Form eines Röschens.

DAS MATERIAL

Butterweiches Leder ist ein Traum, klar. Aber vergessen Sie die konservative Vorstellung von Luxus doch mal kurz. Dieser Schuh ist eine crazy Kombi aus Gummi mit Linsenmuster (Sohle) und Gabardine-Nylon (Obermaterial). Woah!
