## Hailey Bieber Serves 80s Glamour on the May 2021 Cover of Vogue Paris

The BuzzForum Buzz

Mark E April 26th, 2021

It's common knowledge that Emmanuelle Alt has a roster of models on speed dial when it comes to the covers of *Vogue Paris*. But this year, the magazine is shaking things up...a bit. It gave Quinn Mora her very first *Vogue Paris* cover for March. Not to mention Nora Attal for April. Now Hailey Bieber makes her debut on the French fashion bible. The American beauty and current face of Versace fronts the May 2021 issue and transports us back to the 80s. Photographed by David Sims, Hailey wears a look from **Miuccia Prada** and Raf Simons' debut **Prada prada -s-s-2021-milan.400110/** target="\_blank" rel="noopener">Spring 2021 collection in the dynamic cover image.

IMAGE: VOGUE.FR

The outcome took our forum members by surprise. "OK, this is actually decent," confessed GERGIN. "Hailey does capture that 80s French girl style nicely and it shows through Sims' lens."

"Hailey is strongest when she's cosplaying late-80s iconography and this is as spot-on 1987 as it gets — from the hair and the slinky mock-neck little black dress to the overexposed lighting. I'll take it," raved Phuel.

"I was ready to lash out on this cover, but to be honest, I was surprised. I love it! Her best cover to date. I love the sexy vibe matched with the vintage effect. The colors are perfect, too," approved MON.

[ **Not a tFS forum member yet? Click here to join!** ]

"Certainly one of Hailey Bieber's finer moments on a *Vogue* cover! I love the 80s Madonna vibes I'm getting from the hair, the sense of energy and movement from the shot, the red and just very much a fan of the cover as a whole," said vogue28.

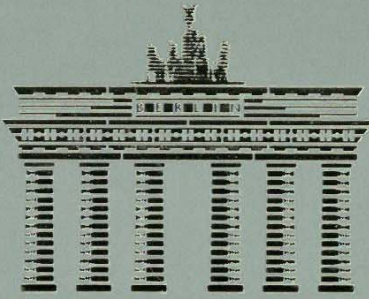

"I was completely prepared to rant, but the cover is actually quite stunning! Perhaps I'd appreciate what Hailey has to offer more if I didn't consider her a mere Instagram celebrity," voiced aracic.

But not everyone was thrilled. "Getting Justin Bieber to marry her was the best career move she could've made," proclaimed MyNamels.

"Another day, another Hailey cover," added Summer Day.

Architectural design and graphic volume constitute the base of Prada's newest luxury bag. The bag has a wide bottom with a tapered top crafted from sturdy brushed calf leather for the outside and nappa leather as a lining. The sleekness and technical perfection of the construction express sheer elegance and modernism. The meticulous fortitude of the cut is emphasized by the handles, which stand on their own. Produced in two sizes - 39cm horizontal base and 36cm vertical base - and

three distinctive colors - white, green, and orange - the bag embodies a marriage of excellent design and usability for every day. Functionality in mind, the inside is divided into three compartments. The bag's immaculate construction relies on the extended savoir-fair of the over hundred-year-old fashion House. The reinvented Prada logo - wrapped in tone in tone leather - adorns the bag's front and is the finishing touch to Prada's latest luxury item. **TF**

## TO THE POINT

Het spektakel van het seizoen zou het worden, de show van Prada voor lente/zomer 2021. Twee modegrootheden sloegen er immers samen voor aan het ontwerpen: Miuccia Prada en Raf Simons. Dat ze daarbij meteen op de proef gesteld werden door alle beperkende maatregelen, dwong ze tot de essentie te komen. En zo brachten ze creativiteit en pragmatisme samen in *The Show That Never Happened* (want alleen digitaal te zien) en toonden ze de prachtige schepselen van hun samenwerking, waarbij ook de puntige slingbacks in knalkleuren en pastels eyecatchers waren.

**Q.2** まっすぐ美脚はどうやってつくっている？

ストレッチやマッサージぐらいですね。とにかく乾燥に弱いので、保湿ケアを大事にしています。脚にもしっかり塗っています。20代前半の頃は乾燥なんて気にしないで、カサカサのままステージ立っていたりしたのですが(笑)、いまは保湿をちゃんとするので、肌があれにくくなりました。

# KEEPING IT BRIEF

Prada

Organization may not be sexy, but it is essential. So, thank you to Prada for bringing us the always-sold-out Saffiano leather briefcase in new funky fresh green and gray color ways. Gone are the days of the boxy black dad-style briefcase, and we couldn't be more grateful. With card slots, a patch pocket and full zip closure, this has quickly become the perfect document holder for a minimalist look with maximalist functionality – perhaps the perfect piece for those who have everything?
