Kirsten Dunst

The Power of the Dog

I love Joni Mitchell. When I was younger, I thought, if I ever get a tattoo, I'm going to shave my head and have BOTH SIDES NOW tattooed on my head. And then when my hair grew back, no one would know it was there. But I never did it.

Have you met Joni Mitchell?

I've seen her twice. I was like, Haha, hi, umm. I can't really speak.

In *The Power of the Dog*, your character drinks to cope with an increasingly difficult situation. Was it hard to pretend to be drunk?

There are a lot of different phases in her drinking. At first, it's courage, and then it gets very bad. People who are drunk try not to talk drunk. For scenes where I had to be really stumbly, I'd spin a bunch in circles and close my eyes so I would be off-balance. That makes you feel out of control, which is perfect for playing drunk.

Kirsten Dunst wears a Prada dress, bag, and shoes; Bulgari bracelets.

Alana Haim
Licorice Pizza

When I was growing up, my dream job was to be the guide on the Universal Studio Tour. I wanted to be that person at the front of the tram, showing you *King Kong* and *Jaws*. Before *Licorice Pizza*, that was the closest I'd been to a movie set.

In the film, there's a scene in which you are drunk and wearing a bikini.

My favorite part about that bikini was that I finally had big boobs. I had to stuff the bra with so much toilet paper. I felt like I was back in middle school, and I looked at myself and thought, It finally happened!

Who is your celebrity crush?

Albert Brooks. I'm looking for my Albert Brooks, and it's so hard to find that person. I own only two movies, and they are both Albert Brooks movies.

Where was your first kiss?

In New York, on the Fourth of July, in my friend's basement. It was terrible. I had braces. I did get fireworks, though! I felt them in my body.

Alana Haim wears Prada shorts.

Smith wears a Prada jacket and skirt; waist bags from Le Vestiaire, Paris.

ZUKUNFTS- FÄHIG

— Sport trifft
auf *ELEGANZ*:
Pradas „Triangle“-
Bag gewährt uns
einen BLICK in
die Zukunft —

EINFLÜSSE DER VERGANGENHEIT prägen unsere Gegenwart, *postuliert Pradas aktuelle Frühlings-Kollektion*. Doch das ist nicht das einzige Credo, dem das italienische Luxushaus folgt. Miuccia Prada formulierte es einst so: „We started with this idea of doing something fancy, but with the basis of sport.“ Die neue „Triangle“-Bag aus gelbem Kalbsleder manifestiert diesen Leitsatz. Zudem greift die *Dreiecksform das ikonische Prada-Logo auf*, während das leuchtende Gelb zweifelsohne der Zukunft gewidmet ist – geschaffen für sportliche und elegante Anlässe.

Despójate de prejuicios y échate a las calles mezclando color sin complejos. Despareja calcetines y zapatos (como hizo Phoebe Philo en el Céline de 2017, ¡o Punky Brewster!), y permítete el lujo de volver a divertirse vistiendo complementos tan especiales y vivos como el bolso Femme o los nuevos zapatos de tacón escultural de Prada. Juega con el exceso y acertarás. ■
