El triunvirato del vestidor de primavera lo firman prendas que saben dar juego. Versátiles, se acomodan a las muchas facetas que exhibe la mujer estos días.

LA AMERICANA. Reverenciada en el mundo corporativo, hace tiempo que la moda la sacó de los despachos. Pero pocas temporadas ha puesto sobre la mesa un rango de funciones tan poliédrico. A tenor de lo que dicta la pasarela, se mezcla igual con un vestido de aperturas vertiginosas como con un chándal o la revisión bohemia del traje.

Μικρού μήκους
