[THE TRANSPARENCY ISSUE]

photography Isabelle Wenzel Spring / Resort 22

LAMPOON

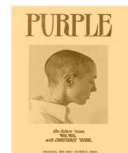

Transparency - a word that almost strikes fear. when transparency is called for, we seem to assume a lack of honesty it should be taken for granted. we are demanding transparency in messaging, in intentions, in advantages and benefits everything can and should be revealed; there is nothing that is hidden that will remain so

Rivoluzione extra studentesca. I mocassini college lasciano la loro tradizionale silhouette accademica e seguono i dettami di una maestra della moda chiamata **Muccis Prada**. Con punta affilata, slingback e tacco a rochetto, **Miu Miu** offre una versione bourgeois del classico modello. Con un risultato che di scolastico non ha più nulla.

Looks of the Moment

Photography JEFF IP • Text KEE • Styling SARAH LAM

AB FAB

Nearly 25 years since Britney Spears' *Baby One More Time* video sent our television screens into a meltdown with her schoolgirl fit comes what appears to be a workplace follow-up to that look. Courtesy of Miu Miu, traditional tailoring gets a NSFW remix that even the Pam Beeslys and Kelly Kapoors of the real world wouldn't imagine passing the Casual Friday guidelines. But this popular Miu Miu set of a severely cropped shirt and knit combo along with peeking briefs and slouchy trousers weren't designed for the 9-to-5 flow. There's a TikTok-level of youthfulness to these looks that also cover the WFH situations that we find ourselves in these last couple of years. And who's to know you're flashing some washboard abs with this fit whilst on a Zoom call?

MIU MIU Suede jacket, silk sweater, cotton poplin shirt, cotton jersey briefs, wool trousers, and calfskin leather loafers
