Beyond the Stars by Yağmur Umay Sağlam

As part of their SS23 collection, Prada unveiled the new Prada Moon bag, an iconic model of the 2000s, transforming the audience into spectators of the brand's past, present, and future. The Moon, inspired by multiple seemingly remote aesthetic worlds, features Prada's signature styles, technical expertise, and uncompromising contemporary attitude. The iconic enameled metal triangle logo imbues the large metal buckle in the center of the Moon with an emblematic essence – asserting confidence through mastery of design. The signature Nappa leather, reconfigured with special treatment, possesses a subtle padded appearance that accentuates its lightness. Chic, future-oriented, and bold – the perfectly monochrome Prada Moon bag is everyone's new eclectic essential. www.prada.com

UN MUST DE LUJO

«Hasta el infinito y más allá». Esta frase define a la perfección los efectos que tiene 'Morpheus 8', la radiofrecuencia fraccionada en modo, un dispositivo que desde su lanzamiento ha revolucionado el sector de la belleza. Razones no le faltan: es capaz de remodelar, con una técnica mínimamente invasiva, el tejido subdérmico para actuar en las capas más profundas de la piel, tanto a nivel facial como corporal. Los resultados son espectaculares en cualquier parte donde la flacidez y los acumulos de grasa se hayan instalado. Es aconsejable el uso de crema anestésica para minimizar las molestias y, de media, se recomienda realizar tres sesiones (depende del área a tratar). Encuéntralo en Tacha Beauty (1.900 €/bomba, 3 sesiones, tachabeauty.com).

この素材を堪能できるのはプラダだけ

90年代後半から2000年代にかけて一世を風靡したプラダスポーツ。18年秋冬に「プラダ リネア・ロッサ」としてスポーツラインが復活し、ミニマルかつハイテクなデザインで人気を集めてきた。その新作セットアップがこちら。プラダが独自開発した軽量素材「Extreme-Tex Light」を採用しており、近未来的な雰囲気は惹かれる。素材は防水・耐風・透湿性に優れていて、そのパフォーマンスも抜群。ブラックの止水テープがアクセントになり、テック感を強めている。[右] ジャケット ¥291,500・パンツ ¥264,000[ともに予定価格] / プラダ クライアントサービス [左] ジャケット ¥275,000・パンツ ¥220,000[ともに予定価格] / プラダ クライアントサービス

Depuis le début de leur collaboration, Miuccia Prada et Raf Simons questionnent le contexte dans lequel nous portons nos vêtements et, par extension, celui dans lequel ils les créent. Comment revoir ou détourner les stéréotypes devient une identité mode, une attitude. Dans la collection homme Prada printemps-été 2023, on retrouve plusieurs obsessions stylistiques du duo: l'homme enfant avec le motif Vichy et les mini-shorts, l'uniforme/uniformité des costumes noirs et du denim, le fantôme de Robert Mapplethorpe et de ses *leather boys*.

Lost in the details: l'editoriale-tributo ispirato a Domenico Gnoli

L'artista italiano Domenico Gnoli si è concentrato soprattutto su dettagli minuziosi che molti considerano superflui, creando opere dall'effetto pop e neometafisico. Scopri il nostro nuovo editoriale interamente dedicato all'arte di Gnoli.

creadores

"Influencia es más que tener muchos seguidores, es dejar una huella en la gente a la que le pueda servir para ser una mejor persona".

JuanPa oscila entre la creación de contenido y la música, pero no son dos facetas mutuamente excluyentes pues aprovecha su proceso creativo para documentar los triunfos, las batallas y hasta las crisis existenciales de ser un artista independiente. Para él, una de las partes más chidas de este trabajo es generar comunidad con sus seguidores y emocionarse con ellos de sus proyectos, confiesa que hasta tiene grupos con muchos. A pesar de la evolución y el cambio en el curso de los años, en esencia promete siempre ser el que se muestra real en las redes y en la vida, con las mismas ganas de comerse al mundo y poder inspirar. En términos de moda, a JuanPa se le da natural, le gusta experimentar con su estilo y mantenerse al tanto de las tendencias más hot del momento.
