Lupita Nyong'o In **Prada** – Chopard Secret Night

Lupita Nyong'o was not to be missed on the red carpet of Chopard's Secret Night during **Cannes Film Festival** on Friday (May 12), where she joined **Marion Cotillard** and **Julianne Moore**.

The 'Black Panther' star blew everyone away – literally – with her **Prada** shimmering peach organza chemise ball gown styled with Chopard jewels.

From the elegant design to the way she twirled with glee, it took me right back to her **epic 2014 Oscar moment**.

On this occasion, the eye makeup didn't quite work for me, but I was charmed nonetheless.

Ava DuVernay In Prada – 2018 Cannes Film Festival Jury Photocall

It would appear that Ava DuVernay didn't get pantsuit memo as adhered to by [Lea Seydoux](#), [Kristen Stewart](#) and [Cate Blanchett](#) for the [Cannes Film Festival](#) jury photocall this afternoon (May 8).

The director was marching to the beat of her own drum proving there's always a way to reinvent florals wearing a custom Prada dress.

On the Fall 2018 runway the florals were overlaid with black tulle, but Ava celebrates the bold hues with uninterrupted finesse.

Malone Souliers 'Imogen' pumps completed her look.

Amanda Seyfried In Prada – 2018 Met Gala

Amanda Seyfried was another beauty at the **2018 Met Gala** on Monday (May 7) in New York City.

The 'Mamma Mia! Here We Go Again' actress was a golden goddess in Prada. There have been countless golden accents this evening, but she embraced the hue from head to toe.

Besides alluding to the theme, the decadent colour worked in harmony with her pale complexion and blonde hair.

She might not have had the most embellished gown or the biggest crown, but she dazzled with a poetic loveliness.

Katherine Langford In Prada – 2018 Met Gala

Also one of the ladies in red tonight (May 7) at the [2018 Met Gala](https://www.redcarpet-fashionawards.com/2018/05/08/katherine-langford-in-prada-2018-met-gala/) in New York City, Katherine Langford offered a different variation on the hue by combining it with magenta-pink in this Prada caped design.

Of all the attendees, I would have pegged Katherine to opt for a black gown given her affinity for classic, darker aesthetic.

Not so, though, with this colour-saturated entrance that held a certain royal Grecian spirit in addition to the quirky dissonance of hue and outlay of embellishment we'd expect from a Prada look.

Rita Ora In Prada – 2018 Met Gala

Rita Ora shut down the red carpet with her entrance at the [2018 Met Gala](#) on Monday (May 7) in New York City—not the least because of her magnificently long chiffon train.

While we've seen a lot of light and golden looks thus far, the songstress tapped into a darker side of heavenly fashion with this Prada gown.

Lit by bright floral appliques throughout, the design was a standout, especially when complemented by the drama of the glittery gloves, Lorraine Schwartz jewels, neon bag, and yes, the black-rose-covered headpiece—worn in homage to the theme, naturally.

Some may be getting Beyonce vibes from the headdress that reminded me of the one we saw on Queen Bey at the [2017 Grammy Awards](#).

But, this look was all Rita, and she owned the dark-angel quality.

The 'American Horror Story' actress was outfitted in a Prada gown which was brimming with details from all angles. It exuded a sumptuous quality with its richly embroidered and embellished fabric.

The bow detail was most striking from the front, but I'm sure many were itching to see a back view of the style.

Letitia Wright In Prada – ‘Avengers: Infinity War’ LA Premiere

Letitia Wright may have had the best costumes in ‘Black Panther’, but I found her promo tour a tad underwhelming. Colour me happy to see her step things up several notches for Marvel’s ‘Avengers: Infinity War’ LA premiere on Monday (April 23).

You know I have questioned Prada’s custom red carpet looks in the past, but this floral suit will sit in the top 10 of their best ever.

It fits her character so well. I love the addition of the black tulle sheath with bow detail. The look is so original and fashion forward without being costumey.

I think this was my favourite of the night. Prada accessories completed her look.
