Socks appeal

Sokken zijn alweer even een puntje van aandacht: aan de orde van de dag zijn witte sokken – ooit verguisd – in voetbalslippers. Maar er zijn nu natuurlijk ook sockboots en –sneakers in overvloed. Miuccia Prada, die over haar laatste show zei: 'Mijn droom is dat vrouwen zonder angst de straat op kunnen. Ik wil die vrijheid overdrijven,' maakte deze exemplaren van lurex. Miuccia heeft het ook over keuzevrijheid: de keuze voor gele scheidsrechterssokken bijvoorbeeld.

Prada's kooky Fall/Winter 2018 pieces featured an unexpectedly everyday accessory: The humble security pass.

TEXT TRACY LEE PHOTOGRAPHY KELVIN CHIA STYLING DARYL ALEXIUS YEO HAIR & MAKEUP ALEX T USING NUDESTIX FASHION ASSISTANCE ONG HUI YING MODEL KRISTINA/AVE

The security passes came in strong, eye-catching solid hues such as black, green, red and pink, and featured NASA-inspired Prada logos.

Worn with fifties-meets-sci-fi manga-style outfits, which ranged from tweed dresses layered over floral frocks, and strapless cocktail dresses with tulle necklines, to boilersuit-inspired ensembles in a riot of neon and pastel-licious hues, the motley crew of free-spirited fashionistas showed they were ready for blast-off to an intergalactic party.

The security pass also alluded to how recent global issues such as illegal immigration and international terrorism threats have led nations to step up efforts to monitor and control border access.

At the very least, it's a lot more useful than zany keychains or furry ball ornaments. ELLE

21 Сентября

К счастью для гостей показа Prada, шоу началось на полчаса позже: знаменитости, редакторы, блогеры и другие поклонники бренда один за другим жаловались на трафик в Милане и говорили о том, что не успеют приехать к началу показа. Но, как показал Инстаграм, успели даже те, кто потерял всякую надежду.

В первом ряду на показе весенней коллекции были Анна Делло Руссо, Кьяра Ферранни, Каролина Даур, София Коппола и другие преданные фанаты Prada. Шоу, по словам критиков, оправдало все ожидания.

L'ATTRICE COMPIE GLI ANNI ED È PIÙ RADIOSA CHE MAI. LA PROVA, NEI LOOK CHE HA SFOGGIATO A RAFFICA ALLA MOSTRA DI VENEZIA: UNO PIÙ STYLISH DELL'ALTRO *testo di Mattia Carzaniga*

«Che età do a me stessa? 28 anni». Così parlò Naomi Watts. E in effetti 50 (li compie il 28 settembre) non li dimostra per niente. Alla Mostra di Venezia, dove ha fatto la giurata chic, si è scatenata coi look: abitini svolazzanti, stampe floreali, nuance rosa confetto. Il mix di brand era da diva consumata: da Prada a Valentino, da Armani a Dior. «Col tempo Naomi ha trovato lo stile perfetto, sa cosa scegliere e cosa scartare» dice la sua stylist Jeanann Williams. Quanto alla radiosità, forse ha aiutato anche il divorzio. Dopo la separazione dall'ex Liev Schreiber, nuova vita col collega Billy Crudup. E tanti film: il primo è *Ophelia*, dove interpreta la madre di Amleto. Mamma sì, ma con che stile! **T**

►►► recente: è un passaggio fondamentale. Infatti in sede di seconda autopsia, che noi familiari chiedemmo a novembre del 2009, l'esame Tac della colonna vertebrale rivelava fratture all'altezza della terza vertebra lombare e dell'osso sacro, ma il consulente della Procura disse che si trattava di una frattura pregressa. Abbiamo portato le prove che solo poche ore prima di essere arrestato, Stefano si allenava in palestra sul *tapis roulant*, cosa impossibile se la colonna vertebrale fosse stata rotta».

Cosa pensa sia accaduto a Stefano?

«Quel che è accaduto a mio fratello, a mio parere, è ben descritto nel capo di imputazione formulato dalla procura di Roma: "violentissimo pestaggio". Stefano è morto a causa delle violente botte subite la notte dell'arresto, e poi per non essere stato successivamente curato a dovere nel reparto detentivo dell'ospedale Sandro Pertini di Roma. Inoltre du-

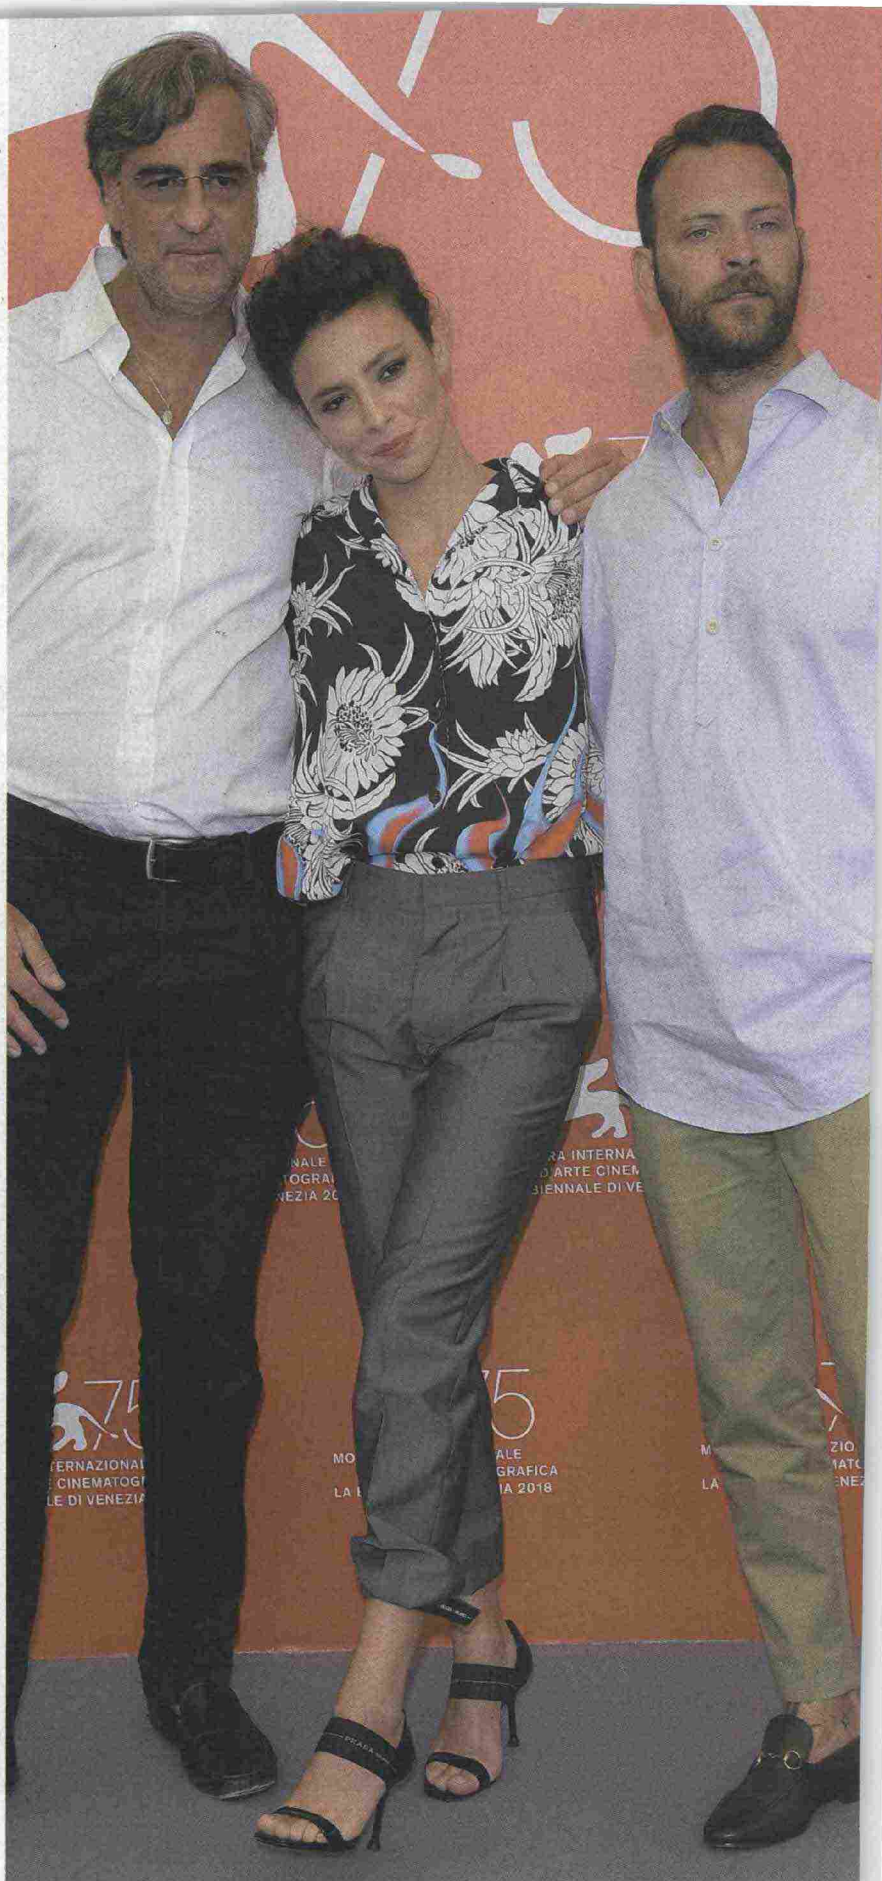

«Il ricordo del suo corpo martoriato mi dà la forza di lottare ancora»

rante il processo per direttissima, il giorno dopo l'arresto, un detenuto senegalese ha raccontato che mio fratello gli mostrò la gamba insanguinata spiegandogli di essere stato malmenato. Solo dopo questa testimonianza furono cercati i jeans di Stefano, ritrovati poi all'obitorio con una strisciata di sangue».

Le foto shock di Stefano all'obitorio sono sconvolgenti: era proprio inevitabile mostrarle pubblicamente?

«È stata una scelta estremamente dolorosa ma necessaria per mettere a tacere chi diceva che mio fratello fosse morto di anoressia o per droga. Ecco perché è stato indispensabile mostrare il suo corpo ricoperto di lividi con evidenti fratture vertebrali. E' stato l'avvocato Fabio Anselmo a consigliarmi di pubblicarle, era stato costretto a farlo anche per il povero Federico Aldrovandi: la gente non crede a ciò che non può vedere soprattutto quando le "fonti ufficiali" negano l'evidenza dei fatti».
