Debuted on a set dressed like a girl's dorm room from the '70s, Miuccia Prada's A/W show set the tone of the season. Her poster-girl printed dresses and skirts, a collaboration with renowned illustrator Robert McGinnis, were a lesson in modern femininity - pretty yet powerful

當整個社會發展到一個混亂的狀態。自然有人想回歸「根本」，回歸不等於墨守成規，而是對純真簡樸及合符現實的追求。設計師 MIUCCIA PRADA 就透過 17 早秋系列表達出「不守成規者」所需的簡約和人性化風格。值得咀嚼的是設計中訴說的事實、真實及人性，以富懷舊感的燈芯絨、皮革及粗花呢等布材配上基本款式，同時以大量人情味的 HIPPIES 復古元素激發各位藏在骨子裡的文藝範兒。回到 1970，回到那個對人權革命特別緊張的年代，想像你就是個畫家、文學家好了，慵懶地享受自在吧。

PRADA PRE- FALL 17

從基本、傳統服飾作變奏，繡上不同裝飾於細節之中滲出時尚與玩味。並採用卡其、大紅、黑、灰、橘色等色調打撞撞色組合對應主題。系列中出現不少中性造型，為的是穿出女性的英氣一面，富質感的燈芯絨、皮革，以及多彩格紋的粗花呢為主打面料。再配合修長窄身的剪裁呈現出俐落身影。貫穿整個系列的針織造型亦是重點，大量的安哥拉羊毛綻放著美麗的淺墨花卉及羽毛。毛絨絨的表面刻意大玩撞色對碰的釘珠刺繡，打破悶局。至於配飾品亦充滿玩味創意分數，如 LOAFER 鞋款飾上馬毛與扣飾、高跟鞋則配上粗帶蝴蝶結及水晶寶石裝飾等，再加上報童帽 (BERET)、手工粗針織頸巾等一起搭襯，文藝感滿溢。

НОВЫЙ ХИТ ОТ PRADA –
СУМКА VELVET CAHIER

Сумка Cahier впервые была представлена Миуччей Прадой на показе Pre-Fall 2016. Ее дизайн напоминает оклады старинных книг, а в переводе с французского это слово означает «журнал» или «тетрадь». Очевидно, что за полтора года сумка стала одной из главных любимиц модных особ. Сейчас в линии представлено множество вариантов моделей Cahier – от микроверсии, которую можно носить на поясе, до клатчей и форм покрупнее. Этой осенью настоящим must-have будет новая вариация – Velvet Cahier. Как становится понятно из названия, она выполнена из бархата, а ее главная особенность – 3D-эффект trompe-l'œil (с французского – «обманка») в виде декоративных деталей, нарисованных на ткани.

FRINGE BENEFITS

PRADA'S FALL collection is at once modern and playful, with unexpected colors and a touch of whimsy. This bag, embellished with gold-studded fringe and a ruby-crystal clasp, is the pick of the lot. ■

Prada bag, \$2,710. prada.com.

Last Look

PRADA BOOTS

Far from merely sturdy and dependable, these thigh-grazing kicks have a delicate and indulgent side. Applied by hand, floral embroideries in acrylic beads add a shock of yellow to the hunter-green base. They'll take you from desk to dinner and everywhere in between—and for those evenings when you're feeling intrepid, style them as they appeared on the catwalk: as a peekaboo boot underneath a floor-length gown. Black tie: optional.

Prada

美 藝 國 度

Miuccia Prada 雖以「City of Women」作為秋冬系列的綱領，但就外觀而言，卻沒有強烈的科幻與前衛，而是瀰漫著新舊交融的美藝色彩。設計上大量使用古典的手工藝，在織物上或是光澤的絲綢上，形成複雜的對比效果，猶如Prada創作的懸念。這種對抗性的美學亦延伸到各種配飾之上，大鈕子、金碧輝煌的鞋跟、釘珠與拼色，令古典美得以延續。

Yara Shahidi In **Prada** – 2017 Emmy Awards

Yara Shahidi continues to impress on the red carpet, with the **2017 Emmy Awards** providing yet another instance where the young starlet showed her unique embrace of style on Sunday (September 17) in LA.

As we know quite well, embellished **Prada** gowns can either go so right or so wrong, but Yara's delightful **Prada** dress fell firmly in the success column.

I love how the nearly nude hue of the gown made the lushness of the foliage-green, sequin motif and the shiny braided belt come alive.

Prada clutch and shoes rounded out the modern, storybook look.

Off-duty chic! Gigi Hadid takes a break from the NYFW runways as she exits her apartment in a turtleneck and sweats

By [Sameer Suri For Dailymail.com](#) PUBLISHED: 22:53 BST, 13 September 2017

She's been a catwalk fixture during New York Fashion Week. So when Gigi Hadid was seen out in town on Wednesday, she'd used her time offstage to slip into something more comfortable. The 22-year-old had pulled on gleaming silver and black sweats, plus a stylish skintight black turtleneck that emphasized her svelte torso.

Fashion Week fixture: When Gigi Hadid was seen out in town on Wednesday, she'd used her time offstage to slip into something more comfortable. She balanced on a towering pair of black ankle-strap stilettos as she hit the street.

También la diseñadora **Dee Ocleppo** optó por un conjunto de su marido, **Tommy Hilfiger**, que tenía simples flores casi geométricas. El elegante vestido 'midi', completamente blanco y de cuello alto, fue una de las estrellas de la noche. Y es que el espíritu primaveral no es una cuestión de edad, sino de estilo.
