Radhika Nair, 26, a former accountant, tax consultant and finance beckoned – until she was scouted by Prada in London, and became the first Indian woman to walk its catwalk. Now based in London, she's an effortlessly funny, down-to-earth presence at the shows. "Modeling was a fluke, so I don't take it seriously. The money is good – not rapper money, but enough that I can do whatever I want."

Чудо- ЖЕНЩИНА

КОЛЛЕКЦИЯ PRADA,
ДЛЯ КОТОРОЙ ПРИНТЫ
О СИЛЬНЫХ ЖЕНЩИНАХ
НАРИСОВАЛИ ХУДОЖНИЦЫ
СО ВСЕГО МИРА, –
ГИМН ФЕМИНИЗМУ.

ХЛОПКОВОЕ
ПАЛЬТО, PRADA.

К

огда мне в 1980-е предложили нарисовать историю про Чудо-женщину, я, конечно, согласилась, но не придавала большого значения, — без тени кокетства рассказывает семидесятидевятiletняя художница Трина Роббинс. — Вышло так, что я во многом оказалась первой. Первой женщиной, рисовавшей Wonder Woman, и первой, кто создал комикс про открытую лесбиянку, — мне очень хотелось рассказать историю моей соседки Сэнди».

В этом году она снова на передовой: в весенней коллекции Миучча Прада перенесла комиксы Трины на платья, жакеты и сумки: «Там есть даже пальто все в моих рисунках! Ну и конечно, сумка с портретом моего кумира — Анджелы Дэвис». В коллаборации с Prada участвуют полдюжины художниц комиксов самых разных возрастов и национальностей. Роббинс среди них — настоящий матриарх. И она помнит, как до середины 1970-х годов в индустрии графики, огромной и прибыльной, женщин были единицы.

«Мужчины не только не принимали меня в свой круг, но и поднимали на смех, когда я говорила, что рисовать комиксы о том, как унижают и мучают женщин, значит способствовать дискриминации. (Это был мир андеграундных комиксов, и в нем не было никаких табу на насилие и секс.) Но уже появились мужчины новой формации, и они прекрасны». Ее радует, что комиксы выбрались из подросткового гетто: они занимают важное место в американской культуре и даже получают Пулитцеровскую премию. «Комиксы не уступают великой литературе. Это просто способ рассказывать истории».

Мы разговариваем в доме Трины в Сан-Франциско. «Дом построен в 1905 году. Я его купила в 1982-м за двести тысяч долларов, а сейчас он стоит миллионы! Но я его не продам. Ведь тогда мне придется купить другой дом, чтобы где-то жить. А теперь вся недвижимость в Сан-Франциско стоит миллионы». Тут все по-домашнему, каждый сантиметр заставлен книгами, статуэтками и безделушками. На стенах постеры с персонажами комиксов. Выходит поздороваться Стив, шестидесятишестилетний бойфренд Трины, тоже художник, и молодой кот Спэтц, который

еще недавно жил в приюте, — и оба сразу исчезают. Сама она обычная старушка крошечного роста, джинсы и серый джемпер, голова в седых кудряшках. Но с первых слов становится понятно, какой у нее ясный и живой ум.

В начале 1960-х Трина, дочка эмигрантов из российской черты оседлости, со своим тогдашним мужем жила в Лос-Анджелесе и шила одежду. Для себя и для него. Вещи были настолько экстравагантными, что люди на улице подходили знакомиться: так парочка подружилась с музыкантами из группы The Byrds. «А еще мы каждую ночь ходили танцевать: нас бесплатно пускали во все клубы». Через пять лет Трина переехала в Нью-Йорк и открыла на Манхэттене бутик «Брокколи», где стала продавать свои вещи наряду с винтажными. «Это было классное время. Я целыми днями сидела в магазинчике, кроила и строчила на машинке. Фолк-звезда Мама Касс была полной и не могла найти ничего подходящего для концертов, я шила для нее платья. Если посмотрите на ютьюбе ее записи, вы их все увидите». Для мужчин-музыкантов Трина шила рубашки с сумасшедшими принтами и брюки клеш, для Эла Купера из Blood, Sweat and Tears придумала плащ. Про Джима Моррисона отвечает, что они были больше чем друзья: «Понимаете, среди хиппи тогда все спали со всеми. Гормональные таблетки были, СПИДа еще не было».

Тогда же Трина начала рисовать комиксы. «Мои первые рисунки опубликовали в 1966 году в подпольной газете The East Village Other. В то время хиппи и студенты издавали множество газет: против войны, истеблишмента, за легализацию марихуаны. Так я стала участницей движения андеграундных комиксов. Правда, у моих комиксов вначале вообще не было сюжетов, они были просто красивыми и зачастую рекламировали мой бутик».

К 1970-м рисунки Трины приобрели политический оттенок, она заинтересовалась темой женской эмансипации. Закрывает бутик и переехала в Сан-Франциско, тогда это был центр андеграундных комиксов. «В отличие от коллег-художников издатели меня обожали, потому что мои комиксы продавались. В то время героями комиксов были в основном мужчины с квадратными подбородками, которые решали вопросы при помощи кулаков. Разумеется, женской аудитории это было неинтересно, и издатели говорили, что женщины комиксы не читают. Но я доказала, что это неправда! Тем более что в моем детстве комиксы были и про девочек, и про мальчиков. Я ими зачитывалась! Это потом почему-то случился перекокс».

В 1980-е на Трину обратила внимание компания DC Comics, которая владела правами на Супермена, Человека-паука и прочих супергероев. Так в ее жизни появилась Чудо-женщина, причем в конце 1990-х Роббинс вместе с художницей Колин Доран создали графический роман на тему домашнего насилия. На последней странице они напечатали статистику, сколько женщин и детей в США избивают мужья и отцы, и телефоны служб поддержки.

Когда в прошлом году главный комикс Трины наконец-то перенесли на экран, а ее позвали на премьеру, первая мысль у нее была: «Нечего надеть!» «Я обошла все: от дорогих универсамов до маленьких бутиков — ничего. Я не хотела покупать вечерний туалет, мне было важно, чтобы мой вид говорил: комиксы! В итоге в моем шкафу нашлось винтажное платье сливочного цвета в большой красный горох, — в нем и пошла». Теперь для таких выходов в свет есть пальто Prada. *Светлана Сачкова*

*Katherine Langford In Prada – ‘Love, Simon’
New York Premiere*

Katherine Langford stepped out at the ‘Love, Simon’ New York premiere on Thursday (March 8) in New York City.

The Australian actress glistened in a Prada gown which had an enchanting retro sentiment with the cinched waist and short-sleeved silhouette.

With the wash of sequins and embellished belt buckle, the black hue was the perfect antidote as it imbued the look with an inky magic.

She could have increased the vintage glamour with the typical red lipstick and pin curls, but I was pleased she took it in a more youthful direction with the voluminous side ponytail and soft makeup.

Isabelle Huppert In Prada – Miami Film Festival 2018

Academy Award nominated, Golden Globe Award winning and two- time César winning actress Isabelle Huppert, was honoured at the Miami Film Festival with the prestigious 'Precious Gem – Icon' Award in recognition of her incredible cinematic achievements on Saturday (March 17) in Florida.

The actress wore a pale blue Prada gown decked out with customary embellishments, which did its best to lift the mood, but I was desperate missing that Isabelle magic, that je n'ais se quoi.

Colour wise, I have no issue.

It's the darts and the georgette fabric which aren't holding out too well here which is a crying shame.

Olivia Cooke In **Prada** – ‘Ready Player One’ London Premiere

Olivia Cooke graced the blue carpet at the Vue West End this evening (March 19), for the premiere of ‘Ready Player One’ in London.

I found it quite appropriate that she wore this lilac **Prada** metallic sequin embroidered gown to this science fiction movie premiere, because she looks out-of-this-world amazing.

The British actress usually keeps things short and sweet, but this felt like a perfect ode to the glamour of American cinema.

I can’t gush about this enough. I just wish **Prada** could break that rollercoaster and give us this magic on a more consistent bases.

Olivia kept her stunning gown firmly in the spotlight, as no jewels were needed.

Makeover für Sophia Thomalla: Das ist ihr

Bei der Premiere ihres neuen Films harmonierte das Kleid von Regisseurin Ava DuVernay perfekt mit dem blauen Teppich. (Bild: Getty Images)

Mit dem Drama „Selma“ gelang Regisseurin Ava DuVernay der Durchbruch. Jetzt kommt ihr Abenteuerfilm „Das Zeiträtzel“ (englisch „A Wrinkle in Time“) in die Kinos. Bei der Europa-Premiere des neuen Disneyfilms in London begeisterte DuVernay in einem Kleid in der Trendfarbe „Electric blue“.

Das [Prada-Dress](#), das eigens für die Filmemacherin angefertigt wurde, war vor allem aufgrund der Farbe ein Eyecatcher: „Electric blue“ gehört zu den Trendfarben der Saison. Doch auch die kleinen, feinen Details machten aus dem Look etwas Besonderes – etwa die Schulterpolster und eine kurze Schleppe. Ein schmaler Taillengürtel mit Glitzer-Schnalle verlieh der Maßanfertigung den letzten Schliff und betonte gleichzeitig die weiblichen Rundungen der 45-Jährigen. Da das Kleid nicht klassisch bodenlang war, sondern nur bis zu den Knöcheln reichte, waren auch die spitzen, silberfarbenen Pumps zu sehen.

Silberne Statement-Ohringe sowie eine Leder-Clutch mit glitzernden Ornamenten rundeten das Outfit ab. Beim Make-up entschied sich der Star für Smokey Eyes und einen tiefroten Lippenstift, der einen schönen Kontrast zum elektrisierenden Blau bildete. In farblicher Abstimmung mit dem Taillengürtel hatte DuVernay ihre Fingemägel schwarz lackiert.

Die Filmemacherin kombinierte einen relativ schlichten Schnitt mit einer Knallfarbe. (Bild: Getty Images)

Ava DuVernays Film „Das Zeiträtzel“ erzählt die Geschichte des jungen Mädchens Meg Murry (Storm Reid), das auf der Suche nach ihrem Vater ist – einem Wissenschaftler, der nach einem Experiment verschwand. Eines Nachts bekommt Meg Besuch von drei seltsamen Frauen, die alle behaupten, zu wissen, wo sich ihr Vater aufhält. Daraufhin werden Meg und ihr Bruder auf eine abenteuerliche Reise durch Raum und Zeit geschickt.

In den USA läuft der Romanbestseller bereits in den Kinos, kommt bei den Kritikern allerdings nicht herausragend gut an. Hierzulande startet der Film am 5. April.

Zoë Kravitz made waves in a feather-trimmed Saint Laurent minidress at the Vanity Fair Oscars party red carpet earlier this month. And last night in Los Angeles, at the premiere for *Gemini*, the actress pulled yet another jaw-dropping fashion moment.

Kravitz offset her slinky **Prada** slip dress with a blazer also by the Italian house. The feather-trimmed sleeves were a slick alternative to the boas traditionally paired with a bias-cut slip dress by Hollywood actresses in the 1930s. The tailored silhouette was a cool counterpoint to the fluid dress, while simple jewelry punctuated the ensemble with understated flair.

Lupita Nyong'o In Prada – Micaela Erlanger's 'How to Accessorize' Book Dinner Celebration

Lupita Nyong'o joined [Diane Kruger](#) to celebrate the launch of Micaela Erlanger's new book, ['How to Accessorize: A Perfect Finish to Every Outfit'](#) in New York City on Tuesday (April 3).

Back in 2011, the fashion world went bananas over Prada's cheek summery print, so I was feeling very nostalgic over Lupita's version which was accented with white crystal floral-motif embellishments.

Looking at Lupita's elegant round clutch and Ziggy Stardust earrings, it's safe to say that we'll be able to learn a few tricks from Micaela on how to accessorize, as Lupita totally nailed the look here, with Schutz sandals providing finishing touch.

Do I need to say this is BDOTW worthy?

Nope, I didn't think so. It's obvious.

Milla Jovovich In Prada – Montblanc Meisterstuck Le Petit Prince Event

Milla Jovovich joined [Rita Ora](#) for the Montblanc Meisterstuck Le Petit Prince event on Wednesday (April 4) in New York City.

I love how Prada have remixed this LBD with a pretty pink feather-trim bringing a playful twist to the classic black style, while the crêpe fabrication brings a fluid grace.

I would've been tempted to elevate the look further with statement heels, but Milla was right to opt for one scene-stealing moment within this look.

'Bold & Fearless' Santos de Cartier Watch Launch Red Carpet Roundup

The 'Bold & Fearless' Santos de Cartier watch launch event on Thursday (April 5) in San Francisco, California brought out many celebrities. They joined [Lily Collins](#), [Sienna Miller](#) and [Chloe Sevigny](#).

Sofia Boutella: The Algerian stunner brought to mind decades gone by in a [Prada](#) gown. I'm sure there will be many Marilyn Monroe comparisons given her blonde bob, red lipstick and the halter style. The look was still unique as it had a whimsical finish with the draped embellishment around the waist marrying with the down-to-there neckline.

Dave Franco: The actor uplifted a sleek black suit with a fiery printed button-down. With the shirt done up to the neck, it presented a crisp finish, making a tie unnecessary.

Freida Pinto: The actress opted for statement texture rather than surface embellishment in a Roland Mouret gown accented with a Gucci belt. It's a look that one wants to see up close and far away. The open draped sides reveal a hint of skin, creating an alluring finish and helping to shed

Kendall Jenner draws attention to her slender frame in fitted black corset as she steps out in Paris

By [Jason Chester for MailOnline](#) PUBLISHED: 16:03 BST, 3 April 2018

Paris Fashion Week may well be over, but [Kendall Jenner](#) was back in the French capital on Tuesday afternoon. The statuesque model was in high spirits as she exited her hotel and greeted onlookers, shortly after making the trans-Atlantic journey to [France](#) from her native United States.

Don't mind me: Sporting a distinctive black corset over a simple yellow T-shirt, Kendall, 22, was an engaging sight while making her way towards a waiting car

By [Rebecca Lawrence For Mailonline](#) PUBLISHED: 01:35 BST, 29 March 2018

She's never been afraid to play around with fashion. So it came as no surprise to see [Rita Ora](#) turning heads with another stylish ensemble at LAX airport in Los Angeles on Wednesday. Opting for a casual yet uber chic look, the 27-year-old singer donned a heavily embellished leather jacket that was adorned with sequins, jewels and pop art design.

Jet set style: it came as no surprise to see Rita Ora turning heads with another stylish ensemble at LAX airport in Los Angeles on Wednesday. The rest of her ensemble was far more low-key, as she rocked comfortable black tracksuit bottoms and a loose fitting grey T-shirt.

Yara Shahidi In Prada – The Contenders Emmys

'Grown-ish' star Yara Shahidi teased Season 2 of the 'Black-ish' spinoff series during Deadline's The Contenders Emmys event on Sunday (April 15) in LA.

The actress has worn a lot of Prada, so I wasn't surprised to see her opt for this Spring 2018 look.

As always it has a fun, playful element with the comic print, while still being stylish and on-trend with the t-shirt, corset combo.
