PRADA

"My inspirations are so many and so complex that to summarise is impossible," explains the inimitable Miuccia Prada of her AW17 ready-to-wear show. The collection reflects this statement in true Prada form, wearing its iconoclastic strangeness proudly on its sleeve, with a blend of crystal and shell trinkets, furry knee-high boots and boxy corduroy twin sets. Organic 1970s-accented forms are given a sinister and menacing air, succinctly described as "nasty, with flowers". This leather bag leads the look with naïve outsider art-style florals – ominous, and yet utterly enthralling.

Cute and covetable, the Prada bunny bag, \$3350, is the only arm candy statement you'll need in your repertoire this summer.

BUNNY BUSINESS

Fashion and all of its accoutrements are supposed to be fun and fancy-free. Jump into the season ahead with accessories adorned with the cuddliest of critters.

Spring is synonymous with new beginnings, and the whimsical world of fashion is no exception. As the warm weather returns to our shores, bright hues bloom and floral prints burgeon. Eccentric embellishments, and out-of-the-box prints and pieces that aren't afraid to say "look at me" are here to steal the show. The sultry season is dominated by a distinctly quirky feel, with designers turning to flora and fauna for inspiration. There's a whole menagerie within your wardrobe and beyond just waiting to be discovered as the animal kingdom comes to life in statement prints and detailed decorations. Let your wild side take over and flaunt a furry friend in fashion form. A look like this is hard to forget.

Vanessa Kirby In Prada – ‘The Crown’ Season 2 London Premiere

Vanessa Kirby joined [Gillian Anderson](#) on the red carpet for the season 2 world premiere of Netflix ‘The Crown’ at Odeon Leicester Square on Tuesday (November 21) in London.

The actress’ style is usually quite delicate, but on this occasion she opted for some magic and sparkle courtesy of Prada; inspired from their Resort 2018 collection.

What’s so special about this particular bronzed sequin dress? For me it sheer organza sleeves and scalloped organza hem which lend a modern touch of romance to the look.

Yara Shahidi In Prada – 2017 American Music Awards

Yara Shahidi was marching to the beat of her own drum at the 2017 American Music Awards on Sunday (November 19) in LA.

Setting trends rather than following, the 'Black-ish' star donned two Prada embellished looks.

Depending on your love for detail, you'll with pick either the red carpet look or the press room outfit.

I went for the former. Why? Because it was the harder of the two look master and she totally nailed it.

Plus I'm charmed by the youthfulness of it all and the mild boy scout reference.

Jada Pinkett Smith In Prada – ‘Girls Trip’ Paris Premiere

Jada Pinkett Smith dazzled at the ‘Girls Trip’ premiere on Monday (November 20) in Paris, France.

The actress appears to be in a cheerful mood as she has donned punchy colours at her last few red carpet appearances including [sunny yellow](#) and [shocking pink](#).

This time, she opted for saturated mint green [Prada](#) which brought a smile to my face.

The slip dress has a retro quality courtesy of the fringing decorating the waist and hem. It was a bold look, but it didn’t overwhelm her petite frame.

Silver metallic sandals accented the embellishment while adding a modernity to the ensemble.

CARLOTA y Dimitri disfrutaron de California en familia y a lo grande. Lo vemos en las imágenes, que fueron tomadas mientras la pareja y sus respectivos hijos, Raphaël Elmaleh y Darya Rassam, recorrían Venice Beach camino del hotel Shutters, donde disfrutaron de un «brunch». Un paseo en el que se dejaron ver cogidos de la mano, mientras los niños competían con sus patinetes.

Una mañana perfecta a la que añadieron algo de deporte alquilando unas bicicletas con remolque con las que exploraron el muelle de Santa Mónica y jugaron con sus hijos en un espacio de arena.
