## *2017 Hollywood Film Awards Menswear Roundup*

We saw a number of [pretty looks from the female set](#) at the [2017 Hollywood Film Awards](#) on Sunday (November 5) in Beverly Hills, California. But, the men served up some stylish offerings and brought their A game, too.

**Garrett Hedlund:** I like how his micro-print dress shirt and burnt cappuccino tie brought a note of subtle, retro-forward appeal to his dark mahogany Prada suit.

**Sebastian Stan:** Taking a more classic approach in a Prada ensemble, Sebastian was quite suave in his black suit and tie.

**Common:** Also one of the men in Prada, he likewise wore a dark suit, tie and shoes.

By Stephen Bisset For Daily Mail Australia PUBLISHED: 14:55 GMT, 15 November 2017

He's the up-and-coming US actor who made a splash with his turn in the smash hit Baby Driver. And Ansel Elgort has slammed his former co-star **Kevin Spacey** after the maligned actor was hit with a string of sexual abuse allegations.

Shock: Ansel is pictured on the GQ Men of the Year awards red carpet with girlfriend Violetta Komyschan <http://www.dailymail.co.uk/tvshowbiz/article-5085519/Ansel-Elgort-slams-Baby-Driver-star-Kevin-Spacey.html><sup>1</sup>

## Grammy nominations are announced as Jay Z, Kendrick Lamar and Bruno Mars lead the way... but there are oddly NO WOMEN on top

By Heidi Parker For Dailymail.com PUBLISHED: 14:33 GMT, 28 November 2017

The 60th Grammy nominations were announced on Tuesday morning on CBS This Morning. Jay Z, Kendrick Lamar and Bruno Mars led the top of the list that was suspiciously male dominated. The 2018 **Grammy Awards** will air live from Madison Square Garden in **New York City** on CBS on Sunday, January 28.

Way to go: Kendrick Lamar had seven nods, including Album of the Year and Record of the Year

## Drake has a custom Prada wardrobe for his new tour

Sadly no rompers though :(

We all know how obsessed [Drake](#) is with [Stone Island](#) – the rapper loves it so much that he even has an \$100k [chain](#) made to look like its logo. While we weren't surprised that he chose to wear the brand for the UK leg of his tour, one that we didn't think he would team up with is [Prada](#). The Italian house has created a custom wardrobe for his "The Boy Meets World Tour" which is now heading to Australia and New Zealand.

Pulling from Prada's [SS18](#) menswear show – that was a collision of rompers, comic prints and bumbags – the custom wardrobe features t-shirts and vests decorated by black and white comic prints with each of the pieces labelled with "BMWT Special Edition by Prada." The collection also featured the brand's signature black nylon, that is synonymous with the 90s-era of the house but is also used in more recent collections too.

Although this is the first time Champagne Papi has worked with the Italian label, he is no stranger to fashion. He has his own label – October's Very Own (OVO) – and earlier this year he dropped a new single that doubled up as the [Louis Vuitton SS18](#) menswear show.
